ADULT LITERACY & NUMERACY

Let us help you with reading, writing, spelling and working with numbers. We run 'Catch-up English & Maths' classes giving one-to-one tuition in literacy and numeracy in various centres around the Island.

Do you need help to:

- improve your spelling?
- write letters?
- read the newspaper or magazines?
- complete forms?
- tackle those problems with numbers?
- help your children with their homework?
- build your confidence in using literacy and numeracy?

WHY NOT JOIN ONE OF OUR CLASSES?

They are:

- free and confidential
- informal, friendly and fun
- available in the evenings throughout term times.

For more information please telephone the College on 648203.
