

ASTRONOMY

AN INTRODUCTION TO ASTRONOMY

This course looks at the wonders of the Manx Night Sky and Man's exploration of the Universe. It is suitable for either the casual or serious stargazer. Prior knowledge is not essential – just an enquiring mind. *Leaflet available.* *Please note that these 12 weeks are spread out from October to March. See leaflet for proposed dates.

THE 2018 MANX NIGHT SKY

What does the Manx Night Sky have in store for us in 2018? This course will look at the monthly phenomenon that will be visible in our skies throughout 2018 and will include a detailed review of both the monthly and seasonal variations. Also included will be a study of the year's best meteor showers and the prospects for seeing eclipses. The course will suit anyone interested in astronomy and requires no prior knowledge. *Leaflet available.*
