
Level 1 City & Guilds Certificate and Diploma in Motor Vehicle Maintenance (4290-11)

What is the course about?

The Level 1 City & Guilds Certificate and Diploma in Motor Vehicle Maintenance is a course designed to give you awareness of all major operating systems of a light vehicle. You will develop a clear understanding of the maintenance procedures required to maintain modern day vehicles in our purpose built workshop at the William Kennish Building, Greenfield Road, Douglas.

What are the entry requirements?

You MUST be employed by a recognised vehicle repairer and have achieved at least 2 GCSE's Grade D from Mathematics, Science or English. You will be invited to an interview and be asked to complete an entry level assessment test.

What Subjects will I Study?

- Skills in health, safety and good housekeeping in the automotive environment
- Skills to support working relationships in the automotive work environment
- Knowledge of health, safety and good housekeeping in the automotive workshop
- Knowledge to support working relationships in the automotive workshop
- Introduction to vehicle technology and workshop methods and processes
- Skills in inspection, repair and replacement of standard light vehicle tyres
- Carry out basic vehicle maintenance.

How will I be assessed?

Two units are assessed externally by City & Guilds Gola on line multiple choice tests and also the candidate will be required to generate a portfolio of evidence from the practical workshop based tasks which will have been carried out in the workshop.

Who should I contact?

For further information or to arrange a personal visit to the College, please contact the Motor Vehicle Programme Area Secretary, Tel. 648205.
