# Level 3 City & Guilds Certificate and Diploma in Motor Vehicle Maintenance and Repair

---

Vocational Competence Qualification (4270-13)

Vocational Related Qualification (4290-13)

## What is the course about?

This Level 3 City & Guilds qualification is designed to give students developing a career in the Motor Industry the opportunity to achieve a recognised level of competence. The practical aspect will involve the diagnosis and rectification of complex vehicle faults across all areas. The Level 3 qualification takes one year to complete and the students will attend college one day per week on a part – time day release basis. The delivery of this qualification will take place at the William Kennish building, Greenfield road, Douglas.

## What are the entry requirements?

The candidate MUST be employed by a recognised vehicle repairer and have achieved at least 2 GCSE's Grade D from Mathematics, Science or English or will have successfully achieved a Level Two award that will lead to progression.

## What Subjects will I Study?

- Competency in Diagnosing and Rectifying Light Vehicle Engine Faults.
- Competency in Diagnosing and Rectifying Light Vehicle Chassis System Faults.
- Competency in Diagnosing and Rectifying Light Vehicle Auxiliary Electrical Faults.
- Competency in Diagnosing and Rectifying Light Vehicle Engine Mechanical Units.
- Competency in Diagnosing and Rectifying Light Vehicle Transmission and Driveline Faults.
- Knowledge of Diagnosis and Rectification of Light Vehicle Engine Faults.
- Knowledge of Diagnosis and Rectification of Light Vehicle Chassis Faults.
- Knowledge of Diagnosis and Rectification of Light Vehicle Auxiliary Electrical Faults.
- Knowledge of Diagnosis and Rectification of Light Vehicle Engine Units.
- Knowledge of Diagnosis and Rectification of Light Vehicle Transmission and Driveline Faults.

## How will I be assessed?

You will have to complete 5 on-line Knowledge based tests and generate a portfolio of evidence from the practical workshop based tasks, which will have been carried out in the workshop.

## Who should I contact?

For further information or to arrange a personal visit to the College, please contact the Motor Vehicle Programme Area Secretary, Tel. 648205.
