#### This library has a collection of academic resources to support students throughout their studies, and includes different working areas to facilitate individual or group work. In addition to the computers available for use in the library, students can also loan laptops and ipads here. € 648207 | ⊠ library@ucm.ac.im

### Student Services offers a wide range of support to students whilst they are studying at UCM.

Personal support is provided by the two Student Welfare Officers who are available for confidential appointments.

Student Services staff can also help and guide on financial matters such as course fees, student grants, benefits, free lunches, budgeting and dealing with debt.

Appointments to see a Careers Advisor can be made via Student Services, which also runs an **Employability Skills Programme** giving students the chance to learn and practice the skills most valued by employers.

UCM prides itself on being a healthy College; the Health and Well-being Co-ordinator is based in Student Services and provides opportunities for students to take part in sporting and well-being activities.
