MEET THE TUTOR

**HOWARD
PARKIN**

Howard has been teaching astronomy at UCM since 1985. The current course presents an opportunity to see what is visible in our Manx dark night skies. We will also be looking at what we have learnt about the Universe and our Solar System using the naked eye, telescopes and spacecraft.

TO BOOK ONE OF THESE COURSES, VISIT WWW.UCM.AC.IM/FUN

“I’d highly recommend the drumming courses with Mark to absolute beginners and those with some experience. The weekly classes were so good that I’m going to miss them!” - Carole Quayle.

MEET THE TUTOR

**CATRIONA
MACKIE**

Catriona is the Programme Leader for our History & Heritage degree at University College Isle of Man and is a Visiting Research Fellow at the University of Chester. She is passionate about

the Isle of Man and about heritage and culture. She spent ten years as a Trustee of Manx National Heritage and served as their representative on the Board of Culture Vannin. In her role at UCM, she teaches heritage studies as well as elements of Celtic Studies and Manx history and culture. Her research interests range from vernacular architecture to the politics, language, and cultural identity. She is currently working with colleagues at Oxford Brookes University on a project to explore the experiences of women in Manx politics.

MEET THE TUTOR

**PAUL
ROOBOTTOM**

Paul has authored textbooks and other published resources used all around the world to help learners understand more about science and our natural environment.

He says: "Now, more than ever, it is important to understand the impacts we are having on our environment - at a local and international level. We can all make changes, including very small simple changes, that combined can make a big difference to our natural world right now as well as how we leave it for future generations."

APPRENTICESHIPS

EARN WHILE YOU LEARN

Apprenticeship courses are great for adults who want to reskill in a new industry or area of employment. Traditionally, apprenticeships were available in 'the trades' but this mode of study is now available across a wide range of industries including:

Plumbing

Carpentry & Joinery

Electrical

Brickwork

Painting & Decorating

Construction & the Built Environment

Horticulture

HR

Admin & IT

Computing

Digital Technologies

Engineering

Hairdressing

Dental Nursing

Professional Cookery

Motor Vehicle

WHY CHOOSE AN APPRENTICESHIP AT UCM?

- Earn while you learn
- You benefit from applying the skills you learn during your course in a real work setting
- You will build strong industry connections which will help strengthen your future career prospects
- As well as the technical skills, you also learn key transferable skills in the workplace
- We offer quality courses resulting in a nationally recognised qualification
- Our lecturers have significant experience in their sectors, which is a huge benefit to you and the quality of your learning
- Employers are building a strong and skilled workforce

FOR MORE INFORMATION, THE APPRENTICESHIP COURSES WE OFFER AND TO APPLY FOR THE COURSE* ONLINE VISIT WWW.UCM.AC.IM/APPRENTICESHIPS

*UCM provides the academic element of the apprenticeship scheme and does not find employers. Apprentice positions are advertised on the Job Centre website. Funding is through the Department of Education, Sport & Culture.

EMPLOYERS

Apprenticeships are great for building a strong and skilled workforce. If you're interested in providing apprenticeship places, visit www.ucm.ac.im/employers for more information.

DEGREES

87% OF OUR DEGREE STUDENTS GAIN A 1ST OR 2:1

Whether you've always wanted to study a degree, or are wanting to add to your CV with a Masters, studying a degree as a mature student can be extremely rewarding and enriching.

DEGREE LEVEL
