

RESEARCH FESTIVAL 2026 - PRESENTER BIO

Chris Kissack
Independent Researcher

Presenting: Neuroscience, Nature and becoming a scientist

Chris Kissack is a certified Data Ethics Professional, Isle of Man Tech Educator of the Year 2025, and a recognised keynote speaker, presenter and advisor working across the technology, maritime, space and community sectors.

A passionate advocate for lifelong learning and responsible technology, Chris is also a proud member of the team at Acclaim Limited, an Isle of Man-based corporate service provider, while continuing his own journey into computational neuroscience.
